## Menu Selections

We offer the enclosed menus for your consideration and we are pleased to develop customized menus based on your needs and desires.

In order to ensure the availability of all chosen items, your menu selections should be submitted to your event manager no less than three weeks prior to the date of arrival.

Menu selections are limited to one item for all guests; however, substitutions due to dietary restrictions can be accommodated.

We will also charge a below-minimum charge of \$10.00 per person.

## Outdoor Function Space

The breathtaking views of the Caribbean and surrounding islands are sure to enhance any event.

Although rare, St Kitts Marriott Resort & Casino does reserve the right to decide, no less than four hours prior to the start of the function, to utilize alternate space in the case of inclement weather.

Room rental will be based on availability, number of guestrooms utilized, and the size of the party.

Outdoor (beach/pool areas) and remote venues are subject to a \$250.00 truck rental fee (if transportation is necessary), and/or a \$10.00 per person charge to cover supplemental outdoor lighting & set up labor.

## Guarantees

In arranging guarantees for functions, it is the sole responsibility of the coordinator for any given function to contact the Resort with the specific number of attendees for any food function.

Final guarantees are due by 12:00 noon 72 hours (three business days), prior to the scheduled function. This number represents the minimum number of attendees the Resort will require for payment.

The Resort will not be responsible for service or to set for more than 5% over the guarantee.

If no guarantee is received at the appropriate time, we will use the last count given to the hotel as the final guarantee and charges will be made accordingly.
